Education

- Computer Science for Business | Saint Joseph University of Beirut
Sep 2019 – May 2023
- Baccalaureate, Scientific | Collège Elysée
Sep 2017 – Jun 2019
- Undergraduate | Collège Notre-Dame de Jamhour
Sep 2004 – Jun 2017

Extra-Curricular Activities

Project Manager | Saint Joseph University of Beirut

Sep 2021 - Dec 2021

I was the Project Manager of 50 members in a course called “Benevolant Action” at Saint Joseph University of Beirut. My team and I selected the "Environment" as our topic. We partnered with an NGO and organized an event for children in a natural setting that involved activities, food, and cleaning up the area.

Scout Leader | Les Scouts du Liban

Jun 2008 - Jan 2018

- Encouraged boys to develop strong self-confidence and leadership skills
- Organized troop camp, activities, and troop ceremonies
- Planned and implemented a community service project (we were 20 children to help the elderly)
- Gave 50 staff members training on how to run events and safety procedures
